Location: Hmmm? Your choice.

COMPLETING YOUR VIRTUAL TRI:

- You have 1 week to complete your distance (July 25 - August 2)
- You signed up for a sprint, olympic, half, or kids distance. If you need to change the distance for any reason, email info@rev3tri.com

Sprint: 12 mile bike / 3.1 mile run / Athlete's Choice (5min)

Olympic: 25 mile bike / 6.2 mile run / Athlete's Choice (10min)

Half: 56 mile bike / 13.1 mile run / Athlete's Choice (15min)

Kids 6-10: Bike 2.5 miles / Run .75 miles / Athlete's Choice (5min or less)

Kids 11+: Bike 5 miles/ Run 1.5 miles / Athlete's Choice (5min)

- You DO NOT have to complete all the events and distances on the same day. You have the full week to complete all the events and distances.
- You can complete it outside or inside on trainers and treadmills.
- Please note: This is not a race and if completing the event outside, you must follow all traffic laws and understand you may be sharing roads with vehicles and not treat this like a normal race.

PARKING

On race morning, athletes will start arriving whenever they want. Everyone gets VIP parking at this race. You can park right next to transition and be the first one to leave. You can also take your bike and gear out of transition as soon as you cross the finish line. There is no arguing with the transition coordinator because you have to get to a soccer game or some emergency popped up at the last minute. Everyone also gets to pick their favorite transition spot at the end of a row. Do you want to be close the bike in/out or the run out? You get to pick. Guess what? You can have as much space as you want around your bike too. There will be no fighting for space around your bike with your neighbors.

BODY MARKING

If you want this to feel like a real race, consider body marking yourself. You will mark your bib number on both upper arms and your USAT age on your right calf.

RESTROOMS

Porta Johns will not be present at this race. Sorry, we just couldn't afford to put out toilets for everyone. You will get your own VIP toilet almost exclusively for your own use. You may have to wait for another family member but the good news is you won't be late for the starting line. Grab a magazine and take your time. We want you to feel your best.

SWIM ("ATHLETE'S CHOICE")

Struggling for an idea for what to do with this one? If you are on facebook, you can check out what others did for our QuaranTRI and Salute Tri. Our Facebook group is called @Rev3VirtualTriathlon. You can do whatever you want. The more creative the better.

BIKE

You must set up your own course. Make sure the turns are well marked and instruct the volunteers which direction to tell you to go. If you miss a turn, the volunteers are allowed to yell at you. They don't have to be out there supporting you so the least they should get to do is yell at you for missing a turn. Please be safe out there. Pick a spot on the course where your family will be able to stand and cheer. Don't forget you need to recruit your own volunteers and set up your own aid stations. As you approach the aid stations remember to slow down and POLITELY tell the volunteer what you want. They aren't mind readers. Finally, there is NO LITTERING in this event or you have your neighbors to deal with and you have to live near them every day. And please do not go to the bathroom in your neighbor's bushes. They may see this and look at you funny at the next neighborhood party.

RUN

You have to setup your own run course. Make sure to put the mile markers in the right spot or I'll yell at you this time. Make sure to turnaround at the right spot. We have other races going on so you can't necessarily follow the person in front of you as they may be doing a different distance. If you miss the turnaround, the volunteers are allowed to yell at you. Try to run as fast as you can but of course safety first! See everything in the BIKE section. The same holds true with the run. Please don't high five your fellow competitors unless they are living in your house.
